Notes From Our President

by Rita Hall
Sunset Chapter, St. Petersburg/Clearwater, FL

Another Fall Meeting will soon be upon us. We need to remember we are all here for our favorite flower, the hibiscus. Put aside differences. Do what is best for the Society.

We are nearing the end of this term of office. It is time to be selecting the new Board. If you know someone who will do a good job,or you are interested, let the nominating committee know.

Rita
